Commissioner for Patents

The timely submission filed on 04/03/06 is not fully responsive to the prior Office action because the response fails relevant portions of the disclosure that pertain to the newly-added claims (e.g., page number, paragraph number describing new limitations such as insulative spacer and its particular descriptions). Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit complete reply
